Dear Student

Thank you very much for your application to continue your studies at Calder VI in September 2011.

I am delighted to offer you a provisional place in Calder VI for September 2011. This will, of course, be dependent upon:

- meeting the relevant grade criteria for preferred courses
- a student's commitment to uphold the high standards of Calder VI for behaviour, attendance and punctuality.

If you have any queries about courses or Calder VI, please contact me at school or by email on mhoward@calderhigh.calderdale.sch.uk.

I will be in touch with you towards the end of June with details of an interview on Friday 26 August where subject choices will be finalised. Please ensure you keep me up to date with any changes to your chosen subjects, as I can not guarantee all changes requested at the interview in August.

The Option Choice Blocks have now been confirmed and are as follows:

Option A	Option B	Option C	Option D	Option E
English Language	Chemistry	English Language	Art & Design	Biology
English Literature	Drama & Theatre Studies	Geology	French	Dance
Mathematics	Geography	History	ICT	Media Studies
Textiles	ICT	Photography	Physics	Product Design
	Psychology	Physical Education	Sociology	Psychology
		BTEC Business	BTEC Applied Science	Spanish
BTEC Business Dual				

You should have selected 3 or 4 subjects from separate columns.

Unfortunately as you are aware, due to a shortage of student requests, we are unable to offer Food Technology, Economics and Religious Studies as we had planned. However, in the aim to ensure that you have as wide a choice of subjects as possible, there is the opportunity to take 2 or 3 subjects at Calder VI and 1 other at another school in Calderdale. This is only the case if you have **not** selected a subject in Option E, as this is timetabled in the agreed Campus Calderdale allocated time of Tuesday mornings and Thursday afternoons.

We are keen to collaborate particularly with Todmorden High School and they are able to offer the following subjects in Option E:

- Graphics
- Law
- Religious Studies
- Joint English Language and Literature

If you would like to obtain further information about these courses please indicate that on the reply slip below and I will speak to you further about that.

Other schools have also confirmed that they are able to offer certain subjects in the Campus Calderdale allocated time, these include:

- Music
- Music Technology
- Business and Economics

Again if you would like to obtain further information please indicate on the reply slip below.

Please ensure that the reply slip is returned by the end of the first week back so that any additional support is provided for you before you start your examinations.

I should like to take this opportunity to wish you good luck in your preparation for your summer examinations.

Yours sincerely

M E Howard
