

School booklists available online

'Love reading 4 schools' has made school reading lists available online. We hope this will prove very convenient for parents and save a lot of time that might be spent trawling shops for the books.

The service is provided free and all the books are available to buy at a 25% discount. Uniquely, schools and parents can download a free Opening Extract of each book to find out which their children will most enjoy before buying. And for every £100 spent by parents of our school we are given a £5 book voucher to purchase more books for our school library, benefiting your child even further.

Click on the **Love Reading 4 Schools logo** on the website to access the site or go directly to: <http://www.lovereadingschools.co.uk>. Register as a parent using the 'For Parents' link on the page and create your own account. It's free, and very important as it enables us to be sent our free book vouchers for the school library. All you need is an email address and a password that you can remember.

Register FREE for these unique benefits:

(Please note: once you have registered you will need to LOGIN each time you visit the school reading lists.)

After registration you will be sent to the schools book page and there just click on any of the book lists to see the books in those lists.

The book lists for our school are password-protected. Please ask your English teacher for the password – or look at the instructions available on Frog.
