

***Are you considering a career in secondary school teaching?***

If so you will be interested in a two day event at Calder High School on Thursday 2<sup>nd</sup> and Friday 3<sup>rd</sup> July. As part of their outreach function as a Training School, Calder High are hosting “A Taste of Teaching” for aspiring entrants to the profession or career changers.

Up to 20 delegates will have the opportunity to find out for themselves what life is really like as a secondary school teacher in the 21<sup>st</sup> century. They will observe lessons, meet key staff and students, speak to former trainees, plan and deliver a short teaching episode with a group of students, and find out about the different methods of entry to the profession and career progression within it.

This two day event is free of charge, but places are strictly limited to 20 delegates who must commit to attending both days. If you would like to take part please contact Training School Administrator Yvonne Harrison at Calder High by Friday 19<sup>th</sup> June by phone (01422 883213) fax (01422 882684) or email ([yharrison@calderhigh.calderdale.sch.uk](mailto:yharrison@calderhigh.calderdale.sch.uk)).
